ABOUT US

Accredited Billing & Consulting, founded in 2016 in Beaumont, Texas, provides expert medical billing solutions to healthcare providers across Southeast Texas and beyond. Since we started, we've expanded our reach to serve clients nationwide, earning a reputation as a trusted name in the industry.

We understand the challenges healthcare providers face when managing billing processes. Therefore, our mission is to simplify these complexities, ensuring accurate, efficient, and compliant medical billing services that help our clients focus on what matters the most, delivering outstanding patient care.

We're more than just a billing company we're your trusted partner in navigating the complexities of medical billing, allowing you to focus on providing exceptional patient care.
